program guidelines:

- This program is available to Riverside Public Utilities' (RPU) residential electric customers.
- Qualified units must be installed at the customer's service address prior to submitting application.
- Application must be received within 90 days of the date on sales receipt. A copy of the receipt must accompany the application and is subject to verification.
- Appliances are subject to inspection for product eligibility and program compliance. RPU reserves the right to determine product eligibility and may forfeit rebate for failure to comply.
- Appliances installed as part of a new construction housing do not qualify for rebate.
- There is an incentive cap of \$500 per customer, per year.
- Rebates will be applied to the customer's residential electric account.
- Program is subject to change without prior notification. Rebates are given on a first come, first served basis, subject to fund availability.
